Please be informed that on March 1, 2019, the assets and operations of the Electricity Company of Ghana (ECG) were handed over to the Power Distribution Services Ghana Limited (PDS), a consortium between Manila Electric Company (MER) through Meridian Power Ventures Ltd., AEnnergia SA, an Angolan company, and three Ghanaian firms - TG Energy Solutions Ghana Limited, Santa Power Limited and GTS Power limited.

The hand-over was pursuant to the award to the PDS Consortium, which will be the electricity service provider in all of ECG's operational areas in the Southern Distribution Zone of Ghana, under a 20-year Concession Agreement approved by the Government of Ghana. ECG's assets would be leased to the PDS, the concessionaire, while the ECG would become an Asset Holding Company, and after the end of the Concession, all assets would be transferred back to it.

PDS Consortium intends to invest over US\$580 million for capital expenditures and is expected to strengthen the governance, management and operations of the ECG and improve the delivery of power to end users as well as support Ghana's socio-economic growth.
