Bidder	
Nominated Plant/s (name/description/location)	

Summarized below are the Document Submissions prescribed under Section 3 of the Instructions to Prospective Bidders and its Annexes, as amended or clarified by the Bid Bulletins (collectively, the "IPB") issued by MERALCO's Bids and Awards Committee for Power Supply Agreements ("BAC-PSA") relating to Meralco's Competitive Selection Process for **200 MW RE Baseload (AC, net), EFFECTIVE FEBRUARY 2026**, the original copies of which are to be submitted between **8:00 A.M. to 9:00 A.M. of 16 February 2026**.

The following are the general guidelines on the form of the Document Submissions as provided by the IPB, its Annexes, and Bid Bulletins:

- (a) As a general rule, Interested Bidder/s should ensure that the electronic copy/soft copy files of their Document Submissions are clear and complete as the BAC-PSA shall not be required to verify the contents of the Interested Bidder's electronic copy of the Document Submissions against the Original Copy. Instead, the opening of the Original Copy is subject to the BAC-PSA's sole discretion. In case of conflict or discrepancies between the electronic copy/soft copy files and the hard copies/Original Copy, the submitted electronic/soft copy files shall prevail and any verification with the hard copies/Original Copy is subject to the BAC-PSA's sole discretion (Section 2.2 (e) of the IPB)
- (b) For documents which must be certified as a true and correct copy, all the pages must be certified. In the alternative, a certification page may be attached to the document (1) clearly identifying the document to which it is attached (including the name of the document, the issuer and the date of issue), and (2) attesting under oath that such document, including the number of pages of such document, is a true and correct copy of the original, which certification must be under oath and notarized (Section 2.1(h));
- (c) Qualification Documents shall be prepared and written in the English language. For all documents issued or executed in a foreign country, kindly refer to Section 2.7 of the IPB;

Documents must be paginated and text must be of 11- or 12-font size. In one set of Document Submissions (e.g., Envelope 1), all pages are to be paginated from 1 to xxx, for the ease of monitoring by the BAC-PSA. As such, all pages are again to be paginated from 1 to yyy for the other set of Document Submissions (e.g., Envelope 2) (Section 3.4.1(b));
- (f) If the same document is a required attachment in more than one Annex, the original set must contain at least one original of the document. A simple photocopy of the same document may be attached to the subsequent Annex(es) and will be considered as an original for this purpose (Section 3.4.1(c));
- (g) All documents shall be properly organized and sequenced in the same order these appear in Sections 3.1, 3.2, and 3.3. The first page of the individual documents shall be properly labelled with a document tab or separator for easy distinction of individual documents. For electronic copies, the filename format to use, as much as possible, should be the document title and preceded by the Interested Bidder's shorthand or acronym identification (e.g., "MERALCO Articles of Incorporation," "MERALCO Environmental Compliance Certificate dated NNN," "MERALCO AFS 2024," etc.). (Section 3.4.1(d));

- (i) All prices shall be expressed in Philippine Pesos (PHP). The Interested Bidder may write down the prices in words (handwritten will be allowed) to re-confirm the total amounts/figures reflected in the Financial Evaluation Workbook (Section 3.4.1(f));
- (j) The Proposed Tariff shall be calculated up to the fourth (4th) decimal place (Section 3.4.1(g));
- (k) Interested Bidders shall submit offers that comply with the requirements of this IPB. Alternative Bids or conditional Bids with modified terms other than the IPB terms shall not be accepted (Section 3.4.1(h));
- (l) If a requirement is deemed not applicable by the Interested Bidder, a write-up should be submitted to explain the non-applicability. However, for any write-up/explanation, the Interested Bidder must know that it is a calculated and known risk on its part that it is submitting to the BAC-PSA's exercise of discretion in allowing/disallowing the explanation provided in the said write-up as to why a particular bid requirement was deemed inapplicable by the said Interested Bidder;
- (m) The authorized representative/s of the Interested Bidder/s who submitted the Original Copy are required to sign over the sealed flap of its Envelope 3 before placing it inside the sealed container box of its Document Submissions (Section 4.2.1);
- (n) Subject to some allowed revisions issued in various Bid Bulletins to address specific circumstances of a bidder, Interested Bidders shall submit one (1) complete original set, clearly marked on each page as "ENVELOPE 1-QD-ORIGINAL," "ENVELOPE 2-TP-ORIGINAL," and "ENVELOPE 3-BID-ORIGINAL," as applicable, and numbered continuously, and taped/attached to the said set are two (2) USB/thumb flash memory drives containing the electronic copies/scanned files (PDF format) of the contents of the said original set; and for electronic copies to be submitted in the USB/thumb flash memory drives, all the scanned copies (PDF format) of the original set (described immediately above) shall be placed in a password-protected zip folder (.zip file), with a file name " ENVELOPE 1-QD-ORIGINAL," "ENVELOPE 2-TP-ORIGINAL," and "ENVELOPE 3-BID-ORIGINAL," as applicable.
