Ortigas Center, Brgy. Ugong, Pasig City

INVITATION TO BID

(BAC CONTROL NO. IT0726-0914-1)

ACQUISITION OF ENTERPRISEDB (EDB) POSTGRESQL LICENSE SUBSCRIPTION AND SUPPORT (2027-2028)

Interested vendors are invited to participate in the bidding for the Acquisition of EnterpriseDB (EDB) PostgreSQL License Subscription and Support (2027-2028) with the following objectives:

Project Objectives:

1. Ensure the continuous availability and reliable operation of the Meter Seal Tracking System (MSTS), which serves as the system of record for meter seals across Meralco's electric meter infrastructure.
2. Maintain vendor-supported EnterpriseDB (EDB) PostgreSQL database services that underpin the MSTS application and its critical business functions.
3. Secure uninterrupted access to software updates, security patches, and technical support necessary to protect and sustain database operations.
4. Ensure optimal database performance, stability, and maintainability to support the monitoring and management of meter seals.
5. Minimize operational risks and system downtime through timely renewal of the EnterpriseDB PostgreSQL license subscription and support services.
6. Support Meralco's efforts in preventing and detecting electric pilferage by maintaining a reliable and fully supported MSTS platform.
7. Ensure continued compliance with vendor support requirements and access to maintenance services throughout the subscription period.
