

MANILA ELECTRIC COMPANY (MERALCO)
Ortigas Center, Brgy. Ugong, Pasig City

INVITATION TO BID
(BAC CONTROL NO. CE0926-0986-1)
CONTRACT FOR OVERHEAD DISTRIBUTION
LINE CONSTRUCTION AND MAINTENANCE
WORKS (OH C&M)

Interested vendors are invited to participate in the bidding for the Contract for Overhead Distribution Line Construction and Maintenance Works (OH C&M) of MERALCO under various sectors, for any or all of the following area clusters:

Sector Area of Responsibility (AOR)	No. of Clusters	OH C&M Crew Requirements (2027-2029)	
		Basket Truck	Stake Truck
Plaridel Sector	12	49	24
Valenzuela Sector	8	31	15
Balintawak Sector	8	31	16
Manila Sector	9	38	19
Pasig Sector	6	25	13
Rizal Sector	9	36	18
Sta. Rosa Sector	9	34	17
San Pablo Sector	6	26	13
Dasmariñas Sector	11	42	21
Paranaque Sector	6	23	11

SCOPE OF SERVICES:

- A. Construction and maintenance of overhead distribution lines for System Requirements (SR), Miscellaneous Allocation (MA) and Project-covered Application (PCA) project.

B. Correction of overloaded distribution transformers (OLDT).

C. Installation of communication alley arm, new streetlights, and telemetry radio for remote-controlled line reclosers.

D. Installation of distribution transformers (DT), elevated metering center (EMC) accessories, neutral line, overhead shield wire (OSHW), overhead primary cable, overhead service wire, poles, towers, and fixtures for National Housing Authority (NHA).

E. Installation of line conductor covers, overhead line sensors, distribution services (DS) primary poles.

F. Installation of DT, neutral line, OHSW, overhead primary and secondary cable, overhead service wire, poles, towers, and fixtures for Socialized Housing Project (SHP).

G. Termination, modification, separation, re-energization, relocation/remodeling of electric service.

H. Transfer of service.

I. Installation and replacement of DS line fuse cutouts, line surge arresters (Lightning Protection Improvement Program (LPIP), Tri-delta Arrester Replacement Program (TARP)), overhead faulted circuit indicator (FCI), overhead ground wire (OHGW) conductor, OHGW Pole Top Hardware (PTH), and system neutral conductor.

J. Reconductoring of bare to covered conductors and bare to spacer cables for DS.

K. Rehabilitation of clustered metering center, EMC facilities, and secondary line.

L. Relocation of DS facilities affected by government projects including but not limited to conductor and devices, DT, and pole.

M. Relocation of facilities related to customer request.

N. Relocation of residential electric meters to EMC.

O. Replacement of ageing pole-type DT and crossarms.

P. Replacement of defective distribution transformers, EMC service drop, defective secondary conductor, service drop conductor, and streetlights.

Q. Replacement of DS line fuse cutouts, OH primary conductors, primary insulators, primary and secondary poles.

R. Replacement of steel/wood with fiberglass and/or steel crossarms.

S. Replacement of DS surge arresters and system neutral conductor.
- T. De-energization and re-energization of distribution facilities and working on de-energized line or energized line as applicable, mechanized or manual work as applicable.

U. Open the Current Limiting Fuse (CLF) to de-energize the line.

V. Retirement of Conventional EMC, such as but not limited to, meter, EMC module, EMC frame, EMC cables, EMC poles, and distribution transformer (DT).

W. Installation of EMX including poles, DT, EMX assembly, and EMC cables.

X. Withdraw EMX assembly from Meter store;

Y. Connect EMC cables (existing or new) to the EMX assembly;

Z. Connect EMC cables to the customer load side;

AA. Close the Current Limiting Fuse (CLF) to restore power;

BB. Perform cable layout of EMC Cables from EMX Facility to individual household;

CC. Endorse pulled-out meters for lab test (MFLT) or ordinary removed (not subject for lab test);

DD. Identify and tag/mark each EMC cable according to the corresponding customer meter;

EE. Trimming of trees, as needed;

FF. Taking of pictures;

GG. Preparation of work order schedule;

HH. Acquisition of work permit;

II. Withdrawal of MERALCO materials from store;

JJ. Hauling of MERALCO materials from store to work site;

KK. Return of retired poles and associated distribution equipment and materials;

LL. Completion of work orders and projects within the set standard processing time;

MM. Regular submission of work order accomplishment report and/or program's overall status report;

NN. Updating of work order requirements in MERALCO system;

OO. Perform Public Information Campaign on Building Under Construction;

PP. Perform information dissemination or delivery and distribution of notice or advisory to customers;

QQ. Removal of foreign objects;

RR. Submission of Certificate of Completion and other work order requirements; and

SS. Performance of all other related or ancillary works necessary to accomplish the required services.

CALENDAR OF ACTIVITIES:

ACTIVITY	DATE	TIME
Submission of Letter of Intent (LOI) and Eligibility Requirements	October 2 - 9, 2026	Until 11:59 PM of October 9, 2026
Issuance of Bid Documents	October 22, 2026	Until 11:59 PM of October 22, 2026

Interested vendors must submit the following for eligibility to participate in the bidding:

- A. For All Vendors:**

1. Duly updated Department of Labor and Employment (DOLE) Department Order (DO) 174 Certificate of Registration.

2. Company Profile, including a list of available manpower, tools and work equipment, vehicles.

3. List of completed and ongoing projects undertaken within the past five (5) years that are similar or related to the Overhead Distribution Line Construction and Maintenance Works
- B. For MERALCO Accredited Vendors:**

1. Certificate of MERALCO vendor accreditation wherein the accreditation must be similar to the Product ID for Overhead Distribution Line Construction and Maintenance Works contract or related service. If the accreditation is for renewal, submit proof that you are undergoing the accreditation renewal process.
- C. For Non-Accredited Vendors:**

1. Latest Audited Financial Statement (AFS) for the last three (3) years with the signed and notarized “Sworn Affidavit of Truth and Accuracy of Submitted Documents”.

2. Securities and Exchange Commission (SEC) Registration Certificate

Non-accredited vendors must undergo the MERALCO accreditation process and must already be accredited by the time of the award.

SUBMISSION INSTRUCTIONS:

- Submit the LOI and eligibility documents as PDF email attachments using a business email address that includes the company's domain name.
- Keep each email submission within the 15MB size limit. Submissions may be divided into multiple emails.
- Send to Meralco, BAC_Secretariat@meralco.com.ph and group.third.party.services@meralco.com.ph.
- Subject: CE0926-0986-1 | OVERHEAD DISTRIBUTION LINE CONSTRUCTION AND MAINTENANCE WORKS | VENDOR NAME
- Deadline: October 9, 2026, 11:59 PM; late submissions, whether complete or partially received in our servers, will be considered invalid.
- Bid documents shall only be issued to vendors who submit an LOI and meet the eligibility requirements.

As part of cybersecurity protection, email addresses created from non-secure, free, or open third-party domains or sources will not be accepted as company email addresses. Eligibility documents submitted through external document links shall also not be accepted. Subsequent bid submissions by eligible vendors must also be sent as file attachments using business email addresses only.

The following shall also serve as basis during bid evaluation:

1. Has experience implementing the services for companies, preferably for companies related to utility; depth and breadth of operational knowledge and skills in services; and flexibility in handling the demands of works especially during exigencies.

2. Has a track record of about five (5) years experience, supported by a Certificate of Satisfactory Performance, in implementing the required Overhead Distribution Line Construction and Maintenance Works preferably for companies related to utility; and

3. A Service Provider with pending commercial and/or technical issues with MERALCO may be disqualified from participating

MERALCO reserves the right to:

1. Accept any bid, reject any or all bids, and/or annul the bidding process in its entirety at any time prior to award of contract, without thereby incurring any liability to the affected bidders or any obligation to inform the participating bidders of the grounds for MERALCO's action; and

2. Issue an addendum to the Invitation to Bid at any time as a result of questions, changes in schedule, or other relevant matters.

Interested vendors may obtain further information through the MERALCO Bids and Awards Committee Secretariat and Category Management for Core via email to Meralco_BAC_Secretariat@meralco.com.ph and group.third.party.services@meralco.com.ph, respectively.

Bid Document Fee (non-refundable): Maximum of ₱ 50,000.00, VAT exclusive, shall be paid upon submission of bids.
