

Meralco and Eton partner for growth - Meralco and Eton Properties Philippines Inc. (EPPI)'s collaboration was further strengthened after a recently-held strategic planning meeting, attended by officials from both companies. During the session, EPPI discussed its various developments in the pipeline, while Meralco presented its plans to support the company's expansion plans. Moreover, Meralco briefed them on other energy products and services, such as beyond-the-meter energy solutions that will enable EPPI to become more energy efficient.

The meeting was attended by (In photo, Middle) Meralco SVP and Head-Customer Retail Services & Corporate

Communications Alfredo Panlilio and EPPI Deputy COO Architect Josefino Lucas. They were joined by (In photo, L-R) Meralco Relationship Manager Virgilio Arevalo, Team Leader-Construction Industry Team, Private Sector-CBG Gilbert Valle, Networks Asset Planning Project Manager Roberto Isip Jr., Head-Private Sector Relationship Management Victor Risma IV, VP and Head-Corporate Business Group Victor Genuino, EPPI First VP-Property Management and Purchasing Department Marie Angeli Samala, OIC for Business Development Julie May Abalos, VP-Property Management Nathaniel Cabungcal, and General Manager & VP-Eton Properties Management Corporation Streisand Tuason.
