

Landev Corporation Garner 2018 Meralco Luminary award

[L-R] Meralco VP and Head, Corporate Business Group, Victor Genuino, Mrs. Eufemia Paguio, Landev Corporation COO, Mario Paguio, Landev Corporation Property Manager, Kim Yel Tabucal and Meralco Relationship Manager, Kristine Brennan at the 8th Meralco Luminaries Awards Night.

In recognition of its partnership with Meralco that upgrades and transforms offices and schools into productive, sustainable work and learning environment, Landev Corporation, a member of the Yuchengco Group of Companies (YGC), was recognized as a Meralco Corporate Luminary for 2018.

By leveraging on MServ's (Meralco's wholly owned energy services company) managed services, Landev is leading all initiatives for YGC to ensure that all of its building structures and its occupants are energy efficient as YGC pursues the ultimate goal of being LEED certified.

Receiving the award on behalf of Landev Corporation is its COO, Mario Paguio.

Established in 2011, the Meralco Luminaries is a program that honors large and small enterprises as well as Local Government Units whose projects with Meralco have contributed to building a progressive Philippines.
