

RLC lands coveted Meralco Luminary Award

Robinsons Land Corporation (RLC) President and CEO, Frederick Go and EVP, Faraday Go with the RLC team at the 8th Meralco Luminaries Awards Night .

For engaging in powerful collaborations that uplift Filipinos way of living and working, Robinsons Land Corporation (RLC) is honored as a Meralco Corporate Luminary for 2018.

RLC's ambitious vision is to develop a community where working class Filipinos can enjoy work-life balance. This vision will soon be fulfilled through Bridgetowne. Bridgetowne lies in the heart of Pasig City

and by having living spaces that allow its residents to be in proximity to their places of work and a thriving commercial area, Bridgetowne aims to reclaim office workers' wasted time from commuting and advocate quality of life.

Key to a project of this magnitude is power, and RLC donated a lot where Meralco can build a dedicated substation

to support the Bridgetowne project.

Receiving the award on behalf of RLC, is its President & CEO, Frederick Go.

Established in 2011, the Meralco Luminaries is a program that honors large and small enterprises as well as Local Government Units whose projects with Meralco have contributed to building a progressive Philippines.
