

Meralco Receives Prestigious ASEAN and PSE Awards for Corporate Governance

2015 was another big year for Corporate Governance in Meralco. At a sparkling ceremony at Manila Polo Club, Meralco was hailed as among the Top 50 ASEAN Publicly Listed Companies at the prestigious ASEAN Corporate Governance Conference and Awards on November 14, 2015. Besting tough competition from major corporate names in the six participating ASEAN member countries – Indonesia, Malaysia, Philippines, Singapore, Thailand, and Vietnam, Meralco emerged as one of the Top 50 ASEAN Publicly Listed Companies, in terms of its adoption of the rigorous standards of the ASEAN Corporate Governance Scorecard (ACGS).

In addition, Meralco was also part of the top 10 companies in the recently held PSE Bell Awards which picks the best with regard to corporate governance practices among all the listed companies in the country.

These awards and accolades would not have been possible without the cooperation of the entire One Meralco family. Rest assured, the Corporate Governance Office will continue to exert the utmost effort to be better and we look forward to your support in our future endeavors.
