***FinanceAsia's 2018 Asia's Best Companies* lauds
Meralco as one of the country's top corporations**

Meralco was recognized by some of Asia's top portfolio managers and buy-side analysts as one of the best and leading corporations in the country during FinanceAsia's annual survey. Meralco ranked in multiple categories among the top Philippine companies, gaining recognition in its investor relations, commitment to corporate governance, and stand out performance in the industry sector.

FinanceAsia's annual survey gives distinction to top performers in the industry sector in the Asian region by providing in-depth analyses of Asia's listed companies and serving as an avenue for portfolio managers and buy-side analysts to give their verdicts on the leading corporations in multiple Asian countries.

Meralco was voted as the fourth (4th) Best Managed Companies in the Philippines. The Company was also acclaimed for its commitment to Corporate Governance coming in number five (5) as one of the top companies Most Committed to Corporate Governance. The Investor Relations of the Company was also recognized as one the finest performers in the field, also coming in at number five (5). Meralco's top executives were also commended for their management of the Company—Mr. Oscar S. Reyes, President and CEO, ranked number two (2) in the Best CEO category and Meralco Chief Finance Officer, Ms. Betty Siy-Yap, also ranked number two (2) in the Best CFO category.

The recognitions given to Meralco solidify the Company's continuous efforts and commitment to improve not only its performance as a service provider but also its culture of good governance and outstanding management practices.
