Meralco Receives Certificate of Appreciation from ICD

Meralco was presented a Certificate of Appreciation at the Institute of Corporate Directors' (ICD) Annual General Meeting held at the Manila Peninsula last June 14, 2018 to acknowledge the Company's continuous cooperation and contribution to the ICD. As a longstanding partner of the ICD, Meralco was commended for its many significant contributions and assistance towards the ICD's goal of enriching corporate governance policies, practices, and programs in the country.

The ICD, an organization dedicated to professionalizing corporate directorship and raising the corporate governance standards of the Philippines, provides ample opportunities to impart good governance practices, trainings, and evaluations to different groups and personalities within the corporate industry.

Corporate Governance and Compliance Office Head, Atty. Jocelyn Villar-Altamira and Corporate Governance Manager, Atty. Lester Bernardo, Jr. were present during the event to receive the certificate. This was not the first instance that Meralco has been recognized by the ICD for its partnership efforts throughout years of harmonious collaboration between the two organizations.
