REGULATORY LEGAL OFFICE  
**JUL 16 2019**

**ORDER**

On 01 July 2019, Manila Electric Company (MERALCO) filed an *Application* dated 27 June 2019, seeking authority to implement their proposed emergency capital expenditure (CAPEX) program for the regulatory year (RY) 2020, with prayer for the issuance of provisional authority (Application).

The pertinent provisions of the Application are hereunder quoted as follows:

1. MERALCO is a private corporation duly organized and existing under the laws of the Republic of the Philippines, with principal office located at Lopez Building, Ortigas Avenue, Pasig City.
2. Pursuant to Republic Act No. 9209, MERALCO has a legislative franchise to construct, operate and maintain an electric power distribution system for the conveyance of electric power to the end-users in the cities and municipalities of Metro Manila, Bulacan, Cavite and Rizal, and certain cities/municipalities/barangays in Batangas, Laguna, Quezon and Pampanga.
3. MERALCO is part of the First Entry Group of distribution utilities that entered Performance Based Regulation ("PBR").

4. Pending the regulatory reset for the Fifth Regulatory Period (1 July 2019 to 30 June 2023), MERALCO is filing the instant application for the approval of its very urgent CAPEX projects for implementation in Regulatory Year (RY) 2020 covering the period 1 July 2019 to 30 June 2020, pursuant to Section 20(b) of Commonwealth Act No. 146, as amended, otherwise known as the Public Service Act, which requires any public service to seek the prior approval of this Honorable Commission before it can establish, construct, maintain, and operate new facilities or make any extension of its existing facilities. MERALCO's very urgent RY 2020 Capital Expenditure ("CAPEX") application is intended to avert the foreseen emergency situations. Primarily, these CAPEX projects are necessary to ensure the reliable operation of its distribution network and continuous distribution service and connection to meet the growing needs of its more than six (6) million customers. The remaining RY2020 CAPEX, together with the CAPEX of the last three (3) Regulatory Years (2021-2023) will be filed during the Fifth Regulatory Period Reset Process.

**BACKGROUND OF MERALCO'S RY 2020 CAPEX PROGRAM**

5. MERALCO's very urgent RY 2020 CAPEX Program is geared towards providing reliable service to its customers by maintaining an adequate, safe, efficient, and viable distribution network, while providing the needed capacity to address the forecasted load growth within its franchise area. MERALCO's RY 2020 CAPEX Program is mainly driven by the following factors:

a. *Renewal/Refurbishment Projects to Ensure Sustained Network Efficiency, Reliability and Power Quality*

Capital expenditures are required to maintain existing assets so as not to degrade its network performance and customer service performance in the current regulatory year. The immediate implementation of these projects is not just imperative to say the least, but more so, critical as the reliability of MERALCO's electric distribution system in providing safe, reliable and adequate electric service is at risk.

b. *Adequate Infrastructure to Meet Growth in Peak Demand and Customer Connections*

The distribution infrastructure must be sufficient to meet MERALCO's current and immediate requirements. MERALCO forecasts its customer base to expand to 7.0 million and peak demand to grow to 7,750 MW by RY 2020. This increase in peak demand and customer count will require MERALCO to increase the capacity of the electric distribution system in order to continue accommodating customer connections, while maintaining the reliability and power quality of its distribution system. If no capacity augmentation project has been undertaken starting 1 July 2019, MERALCO would not be able to provide electric service to its existing and new customers.

*c. Automation/Innovation/Technology*

MERALCO has lined up automation/technology projects to continue its AMI program due to customer's need for this service and in compliance with the requirements of the Rules to Govern the Implementation of an Advanced Metering Infrastructure System by Distribution Utilities and ERC-Authorized Entities ("AMI Rules").

*d. Compliance to statutory and regulatory requirements*

Included in its very urgent RY 2020 CAPEX program are projects to comply with a number of regulatory requirements and government prescriptions, which includes: (a) Distribution Services Open Access Rules (DSOAR) on MERALCO's provision of the extension of lines and facilities for socialized housing initiatives of both public and private developers; (b) Wholesale Electricity Spot Market metering requirements; and (c) ERC Resolution No. 03, Series of 2012, which amends Sections 2.6 and 2.7 of the DSOAR, that mandates DUs to refund the Contribution in Aid of Construction (CIAC) of customers who paid for the extension of lines and facilities upon its inclusion in the DU's regulatory asset base.

*e. Support for Government PPP Initiatives / BBB Program*

The National Government has identified the implementation of Build, Build, Build (BBB) programs and projects as a cornerstone strategy of the national development plan to accelerate the infrastructure development of the country and to sustain economic growth. MERALCO would thus need to relocate and replace existing facilities so as not to hamper the construction and development of these critical BBB projects.

A detailed discussion on MERALCO's considerations and justifications in forecasting its very urgent RY2020 CAPEX Program is attached hereto as **Annex "A"** and made an integral part hereof.

**List of CAPEX Projects**

6. Taking into consideration the factors above, MERALCO hereby proposes the following twenty-one (21) very urgent major projects for RY 2020:

Copies of the project justifications of the residual projects under MERALCO's RY2020 CAPEX program are attached herewith as **Annexes "C-series"** and made integral parts hereof.

8. Moreover, MERALCO shall refund to customers their payments for projects funded under the CIAC scheme. Pursuant to ERC Resolution No. 03, Series of 2012, which amends Sections 2.6 and 2.7 of the DSOAR, DUs are mandated to refund the CIAC payments of customers for the extension of lines and facilities upon its inclusion in the DU's regulatory asset base. The CIAC-funded projects are eligible for refund considering that the lines and facilities where the customers are connected are now distribution assets as they already serve more than one customer. A copy of the project justification document of CIAC-funded projects is attached hereto as **Annex "D"** and made an integral part hereof.

9. In light of the resulting benefits of MERALCO's RY 2020 CAPEX Program in the overall service to the electricity consumers, MERALCO respectfully submits that the building block components, particularly the return of capital and return on capital associated therewith, from the time the CAPEX is put in service and considered used and useful, should be considered as a deferred amount to be included in the calculation of MERALCO's next regulatory reset rates.

10. The filing of the instant Application is without prejudice to the subsequent filing by MERALCO for any unforecasted or emergency CAPEX as the need therefor arises. Apart therefrom, MERALCO will file its remaining RY2020 CAPEX projects as part

of its Regulatory Reset Application for the Fifth Regulatory Period or at any time hereafter, during the Fifth Regulatory Period Reset Process.

**Urgent Need for the Issuance of a Provisional Authority**

11. Section 23 of the EPIRA provides that distribution utilities have an obligation to provide services and connections to its customers consistent with the distribution code.<sup>1</sup> It is emphasized that non-approval of the CAPEX projects for RY 2020 will severely hamper MERALCO's operations and severely affect its ability to deliver electric service to its customers. It is imperative for MERALCO to implement its very urgent RY2020 CAPEX projects starting 1 July 2019 for the expansion and rehabilitation of its network facilities through acquisition of new assets in order to ensure continuous delivery of reliable service and comply with safety, performance and other statutory/regulatory requirements, while addressing the growing needs of its more than six (6) million customers.

12. Thus, pending final approval, there is an urgent need for a provisional authority to be issued in favor of MERALCO to allow it to immediately implement its proposed very urgent RY 2020 CAPEX program. In support of the prayer for the grant of a provisional authority, attached as **Annex "E"** is the Judicial Affidavit of Engr. Froilan J. Savet, Head of MERALCO's Network Planning and Project Management Office.

**PRAYER**

**WHEREFORE**, it is most respectfully prayed to this Honorable Commission that the instant application for Authority to implement MERALCO's proposed Capital Expenditure (CAPEX) Program for Regulatory Year (RY) 2020 be **APPROVED** and that the building block components associated with the CAPEX Program from the time the CAPEX is put in service and considered used and useful be considered as a deferred amount to be included in the calculation of MERALCO's next reset rates.

Pending hearing, it is likewise prayed that a provisional authority be immediately issued authorizing Applicant MERALCO to implement its very urgent RY 2020 CAPEX Program.

Applicant MERALCO prays for such other relief as are deemed just and equitable under the premises.

Pasig City, 27 June 2019.

Finding the said *Application* to be sufficient in form and in substance, with the required fees having been paid, the same is hereby set for determination of compliance with the jurisdictional requirements,

---

<sup>1</sup> Republic Act. No. 9136, Section 23; EPIRA Implementing Rules and Regulations, Rule 7, Section 4;

expository presentation, pre-trial conference, and presentation of evidence on **20 August 2019 (Tuesday) at two o'clock in the afternoon (02:00 P.M.)**, at the **15<sup>th</sup> Floor, ERC Hearing Room, Pacific Center Building, San Miguel Avenue, Pasig City**.

Accordingly, MERALCO is hereby directed to:

- 1) Cause the publication of the attached Notice of Public Hearing in one (1) newspaper of nationwide circulation in the Philippines at their own expense, and the date of the publication to be made not later than ten (10) days before the date of the scheduled initial hearing;
- 2) Furnish with copies of this *Order* and the attached *Notice of Public Hearing* the Offices of the Provincial Governor, the City and Municipal Mayors, and the Local Government Unit (LGU) legislative body within the affected franchise area for the appropriate posting thereof on their respective bulletin boards;
- 3) Inform the consumers within the affected franchise area of the filing of the *Application*, its reasons therefor, and of the scheduled hearing thereon, by any other means available and appropriate;
- 4) Furnish with copies of this *Order* and the attached *Notice of Public Hearing* the Office of the Solicitor General (OSG), the Commission on Audit (COA), and the Committees on Energy of both Houses of Congress. They are hereby requested, if they so desire, to send their duly authorized representatives at the scheduled hearing; and
- 5) Furnish with copies of the *Application* and its attachments all those making requests therefor, subject to reimbursement of reasonable photocopying costs.

On the date of the initial hearing, Applicant must submit to the Commission their written compliance with the aforementioned jurisdictional requirements attaching therewith, methodically arranged and duly marked the following:

- 1) The evidence of publication of the attached *Notice of Public Hearing* consisting of affidavits of the Editors or Business Managers of the newspaper where the said *Notice of Public Hearing* were published, and the complete issues of the said newspapers;

- 2) The evidence of actual posting of this *Order* and the attached *Notice of Public Hearing* consisting of certifications issued to that effect, signed by the aforementioned Governor, Mayors, and LGU legislative body or their duly authorized representatives, bearing the seals of their offices;
- 3) The evidence of other means employed by Applicant to inform the consumers within the affected franchise area of the filing of the *Application*, its reasons therefor, and of the scheduled hearing thereon;
- 4) The evidence of receipt of copies of this *Order* and the attached Notice of Public Hearing by the Office of the Solicitor General (OSG), the Commission on Audit (COA), and the Committees on Energy of both Houses of Congress;
- 5) The evidence of receipt of copies of the *Application* and its attachments by all those making requests therefor, if any; and
- 6) Such other proof of compliance with the requirements of the Commission.

Applicant and all interested parties are also required to submit, at least five (5) days before the date of the initial hearing and pre-trial conference, their respective pre-trial briefs containing, among others:

- 1) A summary of admitted facts and proposed stipulation of facts;
- 2) The issues to be tried or resolved;
- 3) The documents or exhibits to be presented, stating the purposes and proposed markings therefor; and
- 4) The number and names of the witnesses, with their written testimonies in a Judicial Affidavit form attached to the pre-trial brief.

Failure of Applicant to comply with the above requirements within the prescribed period shall be a ground for cancellation of the scheduled hearing, and the resetting of which shall be six (6) months from the said date of cancellation.

MERALCO must also be prepared to make an expository presentation of the instant *Application*, aided by whatever communication medium that

they may deem appropriate for the purpose, in order to put in plain words and explain, for the benefit of the consumers and other concerned parties, the nature of the *Application* with relevant information and pertinent details substantiating the reasons and justifications being cited in support thereof.

**SO ORDERED.**
