

**Jerry Marvin V. Jovero**

Team Leader, Semiconductor & Automotive Group

It's a big challenge to stay one step ahead of companies that constantly strive to be at the cutting edge of technology and engineering. But for Marvin Jovero, it's all part of a good day's work. Marvin leads the team of Relationship Managers tasked with working hand-in-hand with the country's leading semi-conductor companies, like Integrated Microelectronics Philippines, Samsung Electro-Mechanics Philippines, Sharp Philippines, ROHM Electronics, and On Semiconductor Philippines to cite a few. Marvin's team also services other corporate giants like Rockwell Land, Suzuki Philippines, Toyota Motors Philippines, Air Liquide Philippines, HGST Philippines, Inc. and Waltermart supermarkets.

Originally a design engineer, Marvin is a Lifetime Member of the Integrated Institute of Electrical Engineers (IIEE) and has worked with Meralco since for 25 years. He has received a Commendation for Exemplary Acts and was recognized as an Outstanding Supervisory Employee in 1995.

Marvin graduated from the University of Santo Tomas with a bachelor's degree in Electrical Engineering. He is also a graduate of Meralco's Power Engineering Program
